

THE ARKANSAS

LEGIONNAIRE

For God and Country

March 2024

VOLUME 105 NUMBER 3

An Official Publication of The American Legion Department of Arkansas

Greetings Legionnaires,

Thank you for all the hard each of you continue to do every day. Without your hard work, the Department and The American Legion suffers. Please keep doing Buddy Checks, recruiting new members and work on retaining our expired members. Our National Commander's Slogan, "We are a family that saves lives by changing lives." Doing Buddy Checks on a regular basis (at least monthly) ensures our veterans know we care.

In the previous issues of the Legionnaire – I told you about my goal of 10,00 active members by the end of June 2024. We are slowly getting there. Again – it is due to all YOUR hard work. If each Legionnaire recruited just one new member – we would meet and surpass this goal easily. My question to you is: how many new members have you recruited? There plenty of resources available to help you reach your membership goals. How many of you have worked your expired members list? These are members that haven't paid dues yet – some just since last year – some for a while longer. Have you done a post revitalization? We need to stop being the best kept secret in the state of Arkansas.

I was happy to see so many of you attending the training offered at mid-winter – despite the weather! It was also nice to see how many of you were first timers at Mid-Winter conference. Please put on your calendars that training will be conducted on Thursday, June 13th, prior to the Department Convention (14-16 June). I hope to see many of you then. Let's make this training and Convention rock this year!

Thanks again for entrusting me to be Commander for Legion Year 2023-2024

~ Marie Wilbanks, Commander, American Legion Department of Arkansas

PACT ACT Healthcare Expansion

Legionnaires. I have a few announcements to make in the following areas in hope of aiding eligible claimants in their quest to receive all the benefits and services based upon eligibility. Areas of interest include but not limited to: Compensation, Healthcare, and Burial Benefits. I will begin with healthcare because of the huge implications it offers

Firstly, as of March 5, 2024, eligibility to healthcare has expanded to include the following: Individuals with service in the Vietnam War, Gulf War, Iraq, Afghanistan, or any other combat zone after 9/11, or you deployed in support of the Global War on Terrorism, or you were exposed to toxins or other hazard during military service at home or abroad. You do not have to have a service connected disability to be eligible. Please contact your nearest Veterans Affairs Hospital and apply.

Secondly, during our Washington Conference Visit, we were urged to spread the news about the availability of pre-registering for interment at your local veterans cemetery. I know this is not a popular subject, but registering you and your spouse will save lots of time and effort during a time that can be difficult for some.

Lastly, ensure that you seek advice from an accredited Service Officer when you are ready to file your claim. It is advisable to have a copy of your latest rating decision available to ensure your claim is filed on the proper form. If you have further questions, please contact me at antoine.gordon@gmail.com or 501-772-0795.

NEC News and Information

Greetings, Legionnaires. Allow me to update you on what is happening in The America Legion. First of all, Two teams (A & B) went to Washington D.C. to attend meetings and to meet with our legislators February 24-28. Team members on our team(B) besides me, were Lorenzo Rogers, Michael Westergren, Dallas Erdman, Auxiliary members, Carol

Westergren, Janice Rogers Although the Congressmen were not in Washington at the time, we did have the opportunity to discuss The American Legion's legislative agenda with the Congressmen's staff and we did meet with Senator John Bozeman since he was in Washington at that time. We asked for support for several bills that would help our veterans and/or military and their families but we, as Legionnaires need to do our part. Our National Commander is asking us all to contact our legislators to help get The American Legion's priority bills passed. It's really simple, just go to: www.votervoicenet.com/AmericanLegion/register

Once you register, you will automatically receive a notice with a pre-printed letter to your representatives whenever there is a bill that National wants the legislators to vote for. You only have to click on it and you're done. We are very fortunate to have legislators in our state that are very supportive of our military and veterans so let them hear from you. There are several bills that need support but I'm just asking you to follow up on just two important bills since they have a connection to the Legion's Be the One campaign to help curb suicide.

1) Caregiver Outreach and Program Enhancement (COPE) Act (H.R. 3581)

Summary: to expand, improve, and coordinate mental health resources for caregivers.

2) Daniel J. Harvey Jr. and Adam Lambert Improving Servicemember Transition to Reduce Veteran Suicide Act (S123)

This bill requires the Department of Defense and Department of Veterans Affairs to jointly carry out a five-year pilot program to assess the feasibility and advisability of providing certain services and a module comprised of specified elements as part of the pre-separation transition process for members of the Armed Forces for the purpose of reducing suicide among veterans. Specifically, the bill authorizes the VA to award grants to implement, coordinate, improve, and enhance mental health counseling, treatment, and support for all family caregivers of veterans participating in this vital program.

Please "Be The One" to help get these bills passed! I look forward to seeing each of you at the Department Convention in June.

Thank you for your unwavering support and allowing me to serve at this level.

DEPARTMENT LEVEL CORRESPONDENCE

Membership and Training Chairman William "Doc" Sheets

It has been really busy this last quarter what with the Mid-Winter Conference, Posts being consolidated and/or closed and revitalization efforts of some Districts and Posts. Also, up until March 13th, this Department for the first time in years had attained each scheduled interim goal for Membership this year. However, we didn't hit the 90% goal. We came close but just barely missed that target. Posts, I encourage you to contact your expired members and get them to renew. If your post has issues getting the expired report of membership, contact me by email or text, and I can generate the sheet for you. Also, contact your District Commander for help as well. We are also, adding additional forms to the website, to help Posts. It's a fillable version of the CPR report and a fillable form of the Member Data Form. The Member Data form has instructions on how to use the form in this fashion and you can also contact me on this as well. We hope that we can drive membership to a point we are attaining all the goals we have set for this Department, and with the help of all Posts we can do this. I know also, that the Commander has the 100% membership pins for the Post Commander, Adjutant and Membership

Northwest Area Vice Commander

As your current NW Area Vice Commander, it has been my honor to work diligently with our District Commanders, promoting active involvement in our programs. Together, we've strived to strengthen our posts and amplify our collective impact

Recently, a significant development has unfolded within our organization – the DEC's approval of the Bylaws for the Department of Arkansas Riders.

This milestone marks a pivotal moment, underscoring the importance of fully integrating this outstanding program into our operations. The Riders program, with its diverse assets, has tremendous potential to enhance our organization's reach and effectiveness. In light of these developments and the pressing need for a swift and strategic integration of the Riders program, I have decided to refocus my aspirations.

While my initial intention was to announce my candidacy for the Department Commander, I now see a different path where I can contribute more significantly. With deep consideration, commitment, and dedication to reach our collective goals, **I am officially announcing my candidacy for the 2024-2025 Department of Arkansas Riders Director.** I am placing my experience, skills, and unwavering dedication at the full disposal of the Department, to steer the Riders program towards new heights. I am truly excited about the direction we are headed in, and will tirelessly work to ensure the future of this organization is solid. This decision stems from a strong believe in the potential of the Riders Program.

Chair for all that reach the 100% membership goal before the cutoff date in May, we will be ready to hand these out at Convention this year.

Training is vital to growth and development in The American Legion as we strive to increase our membership strength. Developing Legionnaires through our training program will help rejuvenate the members we have, and propel them to be leaders in the department.

We have been hard at work, getting new modules for training. At Mid-Winter conference, we introduced new modules, including District Commander training, Adjutant Training, and mylegion.org intro training. We are looking to again offer these at Department Convention. If you are in need of training, keep this in mind. If your Post, or District, or an area of Posts are wanting training, please, contact Department as well for working to get training for that purpose.

We covet your input on developing a training program that meets the needs of our membership at all levels; Post, District, and Department Level.

In my view, we are more than just as mere addition to our organization, but a very crucial element that will drive us forward, creating new opportunities and pathways for our members to excel. I seek your support and partnership in this new endeavor. Together, we can and will ensure that the integration of the Riders program is seamless, efficient, and beneficial for all.

My commitment to you is unwavering, and with your trust, I am ready to lead the Department of Arkansas Riders into a future filled with promise, progress, and prosperity. Thank you for considering my candidacy, and I look forward to the opportunity to serve and lead with integrity, dedication, and a vision that aligns with our shared values and goals.

DEPARTMENT OF ARKANSAS LEGION COLLEGE

On behalf of the staff of the Department of Arkansas Legion College (DALC), I am pleased to announce the dates, time, and location of the next class to be hosted by The Legion Family Members of Saxton Willis Post 64, in Heber Springs Arkansas on October 18—21, 2024. See flyer on the next page for more details, You can also contact me via telecon at 501-772-0705 or via email: antoiniegordon@gmail.com

Having said that, if you have not done so, please complete the American Legion Basic Training Course as it is required for acceptance, along with a \$50. application fee, and recommendation from your Post Commander. All Legion Family Members are eligible to attend DALC.

DALC Alumni

Prior graduates of DALC, we need you! I would like to solicit your ideas on starting a Department of Arkansas Legion College Alumni Association. Please reach out to me with any ideas you may have. During National Convention, National American Legion College NALC has a meeting, and luncheon where officers of the alumni association is elected. Furthermore, there is an Alumni Dinner. Prayerfully, we can do something similar at our Department Convention. I will be reaching out to you via email with more information. In the interim, please put your thoughts together. I hope to schedule a meeting soon to get your input

Hotel Information Forthcoming

There are several hotels in the area that we are currently negotiating with to include Holiday Inn Express, Quality Inn & Conference Center, One might even like a room at the Sportsman's Lodge located about 11 miles from Heber Springs. However, as the time draws near, we will provide a more detailed list of options.

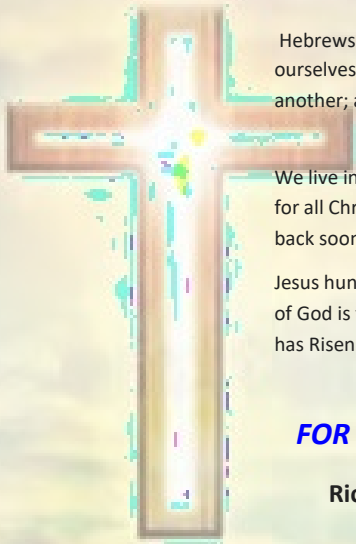

CHAPLAIN'S CORNER

First, we are part of the body of Christ. Meaning we are, each individually, a member (or part) of the church body. As such, we are a vital part of the church. Each one of us is needed for the church to function as Christ intended. As we come together as a whole, we can accomplish so much more than we could individually.

Secondly, we come together to pray for one another. We bring our needs before the congregation so that other Christians can petition God on our behalf. The Bible tells us in Matthew 18: 19, 20 that where two or more are gathered together, Jesus is there among us.

Thirdly, we can strengthen one another. The way of the world is very popular, and the truth of the gospel is not. Few people enjoy being in the minority, but we can find strength in numbers. You and I are stronger when we stand with each other than when we stand alone.

Lastly, as with any battle there is strength in numbers. Ephesians 6:10-13 tells us that we are in a spiritual battle. Versus 12 says, "for our struggle is not against flesh and blood, but against the rulers, against authorities, against the powers of darkness, against evil spiritual forces in heaven." We are stronger to wage spiritual warfare when we come together.

Hebrews 10:25 says, "not to forsake the assembling of ourselves together, as the manner of some is, but exhorting one another; and so much the more, as you see the day approaching."

We live in evil days and the way we can combat the evil is for all Christians to band together in Christ's name. Jesus is coming back soon and we need to be ready!

Jesus hung, bled, and died for the redemption of mankind. The Gift of God is free to whosoever shall call upon the name of the Lord. He has Risen for your justification.

FOR GOD AND COUNTRY.....BE THE ONE!

Richard Lyles, Post 71 Department Chaplain

TRAINING AND EDUCATION

William "Doc Sheets, Training Director

On behalf of the staff of the Department of Arkansas Training Team. Let me introduce you to some of the great things going on in the areas of education and training.

We are in the process of reviewing our curriculum to ensure that we have courses that will help us attain the goal of mentoring and developing a cadre of Legionnaires in our Department that are prepared to lead this organization into the future. We want to empower you to have a greater impact on successfully fulfilling the Mission, Goals, and Objectives of The American Legion (TAL) as it relates to The Four Pillars, Veterans Affairs and Rehabilitation, Children and Youth, Americanism, and National Security.

Our desire is to provide training at all levels, culminating in our Department American Legion College (DALC). We have a varied curriculum to meet the needs of our Legion Family. We believe an adequate training program will help us fortify our foundation to provide Programs, Services, and Advocacy at the highest level! If you haven't done so, please take a look at the training page on our Department Website at www.arlegion

Furthermore, if you are interested in joining our training team, please be sure to contact me. If you have completed American Legion Basic Training (ALEI), and DALC, you are a prime candidate to help facilitate our training modules.

ALEI is The American Legion's official training program for officers, members, Legion College applicants and those who simply want to expand their knowledge of the nation's largest veterans service organization. The course is now available online. This course is designed for you, so I encourage you to register for the course and be enlightened. You will not regret it.

ALEI Topics for Instruction

History and Organization is where you learn why and how the American Legion came into existence after World War I.

Veterans Affairs & Rehabilitation, the foremost pillar of American Legion service, learn the ways in which the organization is dedicated to compassionate care, timely delivery of benefits, career development and other areas of advocacy for those who have served in uniform, and their family members.

National Security, outlines The American Legion's position on a strong, well equipped and effectively deployed U.S. military, including a decent quality of life for those now in uniform and retirees of the Armed Forces.

Americanism, this pillar of American Legion service is filled with respect for the nation that those in the military swore with their lives to defend, from proper treatment of the U.S. Flag to voter education to youth programs that make life-changing differences in our community, state, and nation as a whole.

Children & Youth, The American Legion's long-held position that "every child deserves a square deal" is explained here, to include such programs and efforts to improve the overall well-being of our children and youth.

Teamwork Makes the Dream Work

Teach The Value of the Preamble!

Empower members to be efficient Legionnaires!

Accountability to Community, State, and Nation!

Mentor to Maintain Membership!

FINANCE AND ADMINISTRATION

MOVING FROM THE STONE AGE TO THE ELECTONIC AGE

As many of you are aware the Department has always paid our bills by checks. It is a safe and somewhat efficient way of meeting obligations. But it is a costly method in man-hours and postage fees. There is in this electronic age a faster, more efficient, and cost-effective means to meet our obligations. The means is with electronic banking. Many of the posts on a monthly basis get an email or letter that they have membership funds available at Department. They then request said funds to be sent to them by check. This process is time consuming and expensive. We at the Department are in the process of taking as many actions as possible to make our processes more efficient and economical. Therefore, in your near future we will be requesting that each post provide us with routing and account numbers of their banking account so that we can electronically send you the funds. This simple action will save us many man-hours and mailing costs. It will also mean the transfer of your funds quickly to your account. Imagine not having to go to the bank to deposit a check.

In addition, those individuals asking for reimbursement for travel or other expenses will be requested to provide the banking information so that their reimbursement can be sent quickly to them and at a cost savings for the Department.

We are acutely aware that if a criminal has both your routing number and account number, they can potentially steal money from your account through fraudulent ACH transfers and payments. You should treat your routing and account information like the means you use to protect your SSAN. All post and member information will be secure by strong passwords on our servers and routers.

Hello everyone.

Hope everyone is enjoying the warmer weather. I know I am. We had a good turnout for Mid-Winter Convention. Lots of discussion on different topics.

There was a Leadership Training last week-end. There was a lot of good information given to us by Patricia Murray and Carol Westergren. There were several units represented, but hopefully there will be more next time.

Spring Conference is coming up quickly. April 20th in North Little Rock. Looking forward to getting lots of quilt blocks to make a quilt for our Convention in June.

We still have cookbooks for sale. Poppies too.

End of the year report forms are being mailed out this week. Please get them back to Department by the due dates. Enjoy your Spring!

Hello, Department of Arkansas MUSHERS!

We're Here, We're Here, We're Here! We hit a slippery spot crossing that last waterway. Nevertheless, we are **Mushing** onward, and picking up momentum now! Yes, the Department of Arkansas is still in this race to 100% BEFORE department convention.

We are currently at 72.91% of our goal which is a little more than halfway. However, we have only three more months to get 27.09%. Therefore, please continue to renew, and recruit.

We have new units** added to the **Department of Arkansas' Club 100**. These units have reached and/or surpassed their 100% goal. KUDOS, to these **SUPER MUSHERS!!!**. They are:

Unit 106 – Searcy (133.33%)

Unit 111 – Crossett (103.03%)**

Unit 027 – Fayetteville (103.33%)**

Unit 297 – Junction City (100%)

Unit 063 – Ozark (100%)**

Unit 74 – North Little Rock (122%)

Unit 020 – Russellville (113.33%)**

There are several other units that have surpassed 85% of their goal, and well on their way to their 100% goal. These are our **TOP MUSHERS:**

Unit 114 – Batesville (86.96%)

Unit 340 – Diamond City (95.24%)

Unit 006 – Pocahontas (92.11%)

Unit 008 – Charleston (86.36%)

Unit 024 – Blytheville (92.31%)

Unit 034 – Atkins (89.47%)

Unit 091 – Beebe (85.19%)

Unit 258 – Scranton (92.31%)

Unit 029 – Siloam Springs (89.83%)

Unit 071 – Cabot (87.50%)

Unit 274 – Cave Springs (90.00%)

Unit 158 – DeWitt (87.30%)

Unit 052 – Mountain Home (95.35%)

Unit 427 – Hope (94.44%)

We need EVERY unit to reach/surpass their 100% goal in order to successfully complete the GREAT RACE! We can do it!

Our Mission is imperative in the lives of our Veterans. Let's work together... in the spirit of *Service, not Self. BE Mission-Minded!*
